Safety @ BazGym

Here at BazGym, we strive to teach your children gymnastics in a fun and safe environment. We believe parents can play a part in ensuring this as well. Please take note of the following to help emphasize safety and to prepare your children for their gym classes:

1. Proper attires are to be worn at all times. Either leotards or BazGym t shirts and shorts are the most appropriate.
2. Girls' long hair should be tied up before class. Please avoid using hair ties with hard accessories as well as sharp hair clips.
3. Siblings that are not attending lessons are not allowed in the gymnasium.
4. Students can only enter the gymnasium when the class starts.
5. Children are not allowed to use the gymnastics equipment or play in gym without coaches' supervision.
6. Children should be reminded to listen carefully to their coaches and not to play or run about during class.
7. All should be alert and look around when moving around in the gym or crossing in front of other groups.
8. Be punctual for class.
9. Ensure your children visit the toilet before class starts.

Frequently Asked Questions

Q: Can I drop my children off for classes and pick them up later?

A: BazGym is not equipped to supervise children before or after classes. Parents of children who are unable to safely supervise themselves are advised to stay on-site during their child's class. We do have cases of children hurting themselves when unsupervised before or after their classes.

Q: Do you offer make-ups classes?

A: We offer a maximum of 2 make-up classes to students with valid medical certification. Make-up classes cannot be brought over to another term. We will try our best to offer the timing for make-up classes to your convenience. However, if you are unable to make it for the timeslots, we will not provide a refund for the missed class.

Please note that no make-up classes will be provided gazetted public holidays. (E.g. Polling Day).

There are no make-up classes for competition classes due to the limited number of classes available.

Q: What if my children has minor illness which does not warrant a doctor visit?

A: We only offer make-up for this situation on a case by case basis. However, we would like to inform you that we only offer this when it does not jeopardize safety or the integrity of other classes. A maximum of 2 make-ups are allowed per term.

Q: Can both of my kids attend the same class at the same time?

A: This will depend on their individual age and skill level. Siblings are usually placed in different classes due to their age difference. However we will try our best to offer classes within the same timeslot or day for your convenience.

Q: Will you notify or remind me of the late charges after the school fees deadline?

A: Yes. We will send a notice to inform you of the school fees deadline.
